

Health screening, Drop-Off and Pick-up Procedures

ABC Montessori - 285 Matheson CASA Campus

Step 1 – Daily Active screening for Households

Parents should observe their children for any signs of illness before coming to school and preferably take their temperatures.

Your child will not be able to attend school if they are ill. Please call or email school to advise symptoms. Our supervisor will advise when your child can return to school after illness.

Step 2 – School student illness screening

Please bring your child to the school entrance for illness screening and only leave once your child is admitted into the building. (The Ministry of Education requires us to observe every child for symptoms of illness before entering the classroom)

If your child has a temperature of 37.8 degrees or higher, or any other symptoms of ill health, you must take your child home immediately. Your child will not be able to attend school until advised that they can return.

School Drop-off times

Regular school morning drop-off is between 8:30 am – 9:15 am only. Students may not be permitted in school after 9:15 am. Students should be brought to school on time.

The drop-off time for students enrolled in the Before-School program is 7:30 am – 8:30 am.

Pick-up / Departure Procedures

Regular school Pick-up time is 3:00 pm – 4:00 pm.

Pick-up time for students enrolled in the After-School program is 4:00 pm – 6:00 pm.

Students should be picked up from outside the school building. Parents should ring the doorbell and wait for a staff member to assist you. **Parents may be asked to show a government issued I.D.**
